Education

BSc in Computer Science and Engineering

February 2022 – July 2026

Southeast University, Bangladesh

CGPA: 3.84 / 4.00

- Ranked among the top-performing students by achieving a perfect GPA (4.00/4.00) in three separate semesters, reflecting consistent academic excellence and commitment.
- Courses: Data Structures & Algorithms, Database Management Systems, Operating Systems, Computer Networks, Software Engineering, Object-Oriented Programming, Artificial Intelligence, Web Engineering and Computer Architecture etc.

Research Experience

Thesis: Brain Tumor Detection and Classification from MRI Using Cross-Attention ConvNeXt

- Addressed the challenge of automated brain tumor detection and classification by developing a Cross-Attention ConvNeXt–based deep learning model for MRI image analysis.
- Designed and evaluated the proposed framework through data preprocessing, model training and performance analysis to improve diagnostic accuracy and reliability.
- Presented the research findings at the 2026 IEEE 2nd International Conference on Quantum Photonics, Artificial Intelligence and Networking (QPAIN 2026).

Work Experience

Frontend Developer Intern

Dhaka, Bangladesh

Inoodex

June 2026 – Present

- Developed responsive and user-friendly web application for a Student Consultancy Agency using **React.js, Next.js and Tailwind CSS**, ensuring a seamless user experience across devices.
- Built reusable and maintainable UI components, collaborating closely with backend developers to deliver scalable frontend solutions.
- Integrated RESTful APIs and implemented efficient state management to support dynamic, data-driven applications.
- Optimized application performance through code splitting, lazy loading and frontend best practices.
- Participated in Agile development, contributed to code reviews and collaborated with the team to deliver high-quality features on schedule.

Projects

🔗 Hotel Booking System | JavaScript, PHP, MySQL

Built a dynamic and responsive hotel booking platform. Implemented features like room availability search, booking management, customer registration, and payment handling. Designed a clean UI with interactive elements to enhance user experience and integrated a secure database for efficient data management.

🔗 EbUy – E-commerce Platform | React, Node.js, Express.js, MongoDB, JWT

Developed a full-stack MERN e-commerce platform featuring JWT authentication, secure file uploads, email verification, RESTful APIs, search, pagination and responsive React-based user interfaces.

🔗 Bloggy – Blog Website | Node.js, Express.js, MongoDB, EJS, Tailwind CSS

Built a full-stack blogging platform with secure user authentication, customizable profiles, dynamic post publishing and interactive community features using Node.js, Express.js, and MongoDB.

Competitive Programming

Codeforces: */Bohemain* **Codechef:** */miraj10* **vjudge:** */Miraj10*

- Solved 500+ problems across online judges, primarily using C++ and participated in multiple national-level and university-level programming contests, strengthening problem-solving and algorithmic thinking.
- Secured 3rd Place in the ICPC Asia Dhaka Regional Preliminary Contest 2024 and 3rd Place in the Southeast University Intra University Programming Contest 2022. Represented SEU_SPARTAN at the ICPC Asia Dhaka Regional Onsite Contest 2023, achieving a rank of 128th.

Skills

Language: C/C++, Python, PHP, Java, JavaScript, SQL, HTML/CSS

Frameworks/Libraries: React.js, Next.js, Express.js, Tailwind CSS, Redis

Developer Tools: Git, GitHub, Postman, Google Colab

Others: Data Structures, Algorithms, Project management, Problem Solving

Mentoring and Volunteering Experience

- **Programming Trainer, Southeast Computer Club** — Conducted training sessions on C/C++ programming, mentoring junior students to strengthen their programming and problem-solving skills.
- **Department Coordinator, Southeast Games & Sports Club** — Coordinated departmental events and activities, collaborating with teams to organize and execute successful sports and student engagement programs.
